

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF EAST KENTUCKY POWER)	
COOPERATIVE, INC. TO TRANSFER)	CASE NO.
FUNCTIONAL CONTROL OF CERTAIN)	2012-00169
TRANSMISSION FACILITIES TO PJM)	
INTERCONNECTION, LLC)	

ORDER

Pending before the Commission are two motions to extend the September 26, 2012 due date for intervenors to file comments or testimony. One motion, filed jointly by East Kentucky Power Cooperative, Inc. ("EKPC"), Louisville Gas and Electric Company ("LG&E"), and Kentucky Utilities Company ("KU"), requests an extension of time, from September 26, 2012 until October 1, 2012, for LG&E/KU to file their testimony or comments in this matter. That motion states that EKPC and LG&E/KU had been engaged in discussions to resolve certain technical issues concerning data that had been exchanged between EKPC and LG&E/KU, that the data issues have now been resolved, but that the time taken to do so has delayed LG&E/KU from undertaking their analysis and report.

The second motion, filed by the Attorney General's Office ("AG"), requests that his comments or testimony not be due until two days after LG&E/KU file their comments or testimony so he will be have an opportunity to review the LG&E/KU filing before making his own filing. The AG's motion further states that he consulted with EKPC and LG&E/KU and neither have an objection to his request for a two-day extension of time.

Based on the motions and being otherwise sufficiently advised, the Commission finds good cause to grant both extensions of time. The Commission further finds that the two intervenors in this case, other than the AG, should also be allowed the opportunity to file comments or testimony two days after the LG&E/KU filing.

IT IS HEREBY ORDERED that:

1. The joint motion of EKPC and LG&E/KU for an extension of time until October 1, 2012 for LG&E/KU to file testimony or comments is granted.
2. The motion of the AG for an extension of time to file testimony or comments two days after the filing of testimony or comments by LG&E/KU is granted.
3. The procedural schedule appended to the Commission's September 4, 2012 Order is modified as provided in the Appendix attached hereto which shall be followed in this case.

By the Commission
